

Join us on October 7th for our special Seminar on Internal Controls. This 5 – Hour CPE event will highlight both local and national speakers, introducing you to a wide range of knowledge and experience.

9:30 Registration Begins

10:00 – 11:40 William H. Miller, CGFM, CIA, Director of Internal Audit for Johnson County, headed Internal Audit programs for both the federal government and the State of Missouri prior to being recruited by Johnson County to create such a program for them. Bill is excited to be here to pass along some of his harrowing tales and suggestions for avoiding them in your agency.

12:00 – 12:50 Chris Biggs, Kansas Securities Commissioner will present the October presentation of the Professional Lecture Series. Admitted to the Kansas Bar in 1983, Biggs has more than 20 years of criminal law experience. He has served as both a public defender and an elected County Prosecutor. During that time his major case trial and appellate experience included many homicide, drug, and public corruption and conspiracy cases.

1:00 – 2:40 David Hancox, CGFM, CIA, Audit Director for the New York State's Comptroller's Office in Albany, New York will be here by telephone to highlight some of the audit results his teams have found. A number of these cross into the element of fraud and theft and are a bit astounding to hear.
