## AGA Memberships

The economic downturn is affecting all of us. Our employers are cutting back, prices are increasing, we are cutting back, and honestly, memberships in professional organizations is one area our members have to look at. Thus, the Topeka Chapter is doing what it can to assist you in holding on to your membership while still getting a quality Seminar. For those participants in this Seminar that don't have employer support for memberships, we will finance your membership to keep you involved or to help you become involved. This offer is open to both members and non-members.
