President, Randy Bailes, presided over the meeting. Randy reported that he and three other Topeka Chapter members attended the Mid Missouri PDC.

Walt reported on the progress of the PDC committee. He has confirmed three sponsors. They are Accenture, IBM, and Peoplesoft. They will provide speakers and money for the conference.

A PDC brochure was sent out last week. Email brochures were sent to the members of ASTRA, ASPA, AGA, GFOA, and the CPM Society. Marsha Pappen sent an Adobe Acrobat file to all cities and Shirley Hollis sent the same file to all counties. The BEST is recommending that agencies send people to training opportunities such as the PDC.

Walt stated that there will be two training tracks at the PDC, professional continuing education and automated systems training.

Gina is setting up the entertainment for PDC. There will be no charge for meeting rooms. The chapter will be charged for meals and expenses at the Thursday night social. A hospitality room is being provided at no charge in which the Chapter can host participants arriving from out of town.

The nominating committee sent a report that they still need someone to fill the positions of president-elect and treasurer.

The newsletter deadline is April 6.

Nickie reported that she would close out donations for the Battered Women's Shelter this week. She has received \$35 in donations. The chapter will match that amount for a total of \$70 for the shelter. She will send a notice that the American Heart Walk is April 24.

The April meeting is the annual awards and chapter recognition night. Chapter recognition points are due on April 15. Members should report qualifying activities to Carolyn Brock before that date.

Meeting adjourned.

Respectfully submitted,

Evelyn Fitzpatrick, Secretary.
