

AGA
Topeka Chapter
Professional Series Lecture
October 28, 2004
Ward-Meade Park

Speaker: Bryan Brown
Location: Preston Hale Reception Room – Ward-Meade Park
Attendance:

Basket lunches were served at 11:45 AM in the Preston Hale Reception Room, Ward-Meade Park. Present were 20 members and guests.

The speaker was Bryan Brown, Assistant Attorney General with his helper. He gave us several handouts covering such information as how to avoid rip-offs and sales scams, tips to protect vulnerable (really everyone) adults from scammers, plus others. Identity theft can happen to anyone, even one of our own members has had it happen twice. One point he stressed, that we may all be guilty of, is DO NOT carry your social security card with you. A handout was give that list tips and four things that need to be completed immediately should you have an identity theft. The Attorney General's office has an extensive help hotline service to help us on all types of fraud related topics. He asked to return to speak again as his PowerPoint was not working and he has additional information he can share with us.

No AGA business was conducted at this meeting. Meeting adjourned at 12:55 PM

Respectively submitted,
Carolyn Brock
