

AGA Monthly Meeting
Minutes
April 14, 2005

A catered lunch was served at Noon in the Shawnee/Topeka Public Library. Present were 15 members and guests.

The speaker was David Sollars, Dean of the College of Business at Washburn University. He has been in Topeka for the last two year coming by way of Montgomery, Alabama. He is an economist by trade. The College of Business has 836 in the curriculum, with 26 full-time faculty. There will be 175 graduating this year. The College of Business has a 60% female students body, the average age is 24-25, and accounting students make up 20% of the students.

The College of Business at Washburn will be reviewed for their accreditations starting in the Spring of 2006. Washburn has become a very progressive University and enrollment is at an all time high.

No business was conducted at this meeting.

Meeting adjourned at 1:00 PM

Respectively submitted,
Carolyn Brock
