

New Member Welcome

One of our new members is Pam Simecka. She works as an accountant for the City of Topeka in the Public Works Division. This is her first year with AGA. Even so, Pam volunteered to audit the Chapter's financial records for the 2003_4 fiscal year. As a volunteer organization, AGA accomplishes what its member volunteers make happen.

“Pam, thanks for jumping in to take on this task, and welcome to the Topeka Chapter!”
