

## **Your Chance to Stand Front and Center Volunteers Needed**

The Topeka Chapter of AGA is currently soliciting volunteers to fill positions on the Chapter Executive Committee (CEC). The Committee consists of two types of positions, Officers and Directors. The Officers include President, President-Elect, Past-President, Treasurer, and Secretary. Available positions include President-Elect, Treasurer, and Secretary.

Director positions head up specific tasks performed by the Chapter and include: Website; Communications; Education; Community Service; Certification; Membership; Early Careers; Chapter Recognition; Bylaws; Awards; and Audio Conferences.

Since you won't know what each of these entails, please contact a member of the nominating committee and ask what these positions are responsible for to see what you would like to do.

Thank you so much for being a part of AGA. Let us bring you into a leadership role and let you take on a challenge or learn a role as an Assistant.
