

Employment Opportunity with the State of Kansas

ARRA Audit Position Available

The Kansas Corporation Commission is looking for an experienced auditor to facilitate tracking and compliance with reporting of the American Recovery and Reinvestment Act (Stimulus) funds for its State Energy Office.

The incumbent will be expected to develop new procedures for ARRA funds, for reporting to internal and external clients, including state and federal stakeholders. The auditor will also assist current reporting and tracking with existing funds as well and coordinate with the KCC fiscal office to facilitate internal accounting.

The incumbent will also be the lead in Davis Bacon and National Environmental Protection Act (NEPA) reports and verification. Latitude will be given to the auditor to perform these duties with guidance from the Division Director of the SEO and the fiscal division of KCC.

Experience with State of Kansas fiscal procedures, as well as experience with accounting for federal funds is a great plus...."

A bachelors' degree in accounting/finance or related field is required.

Starting salary is \$40,000 depending on education and training.

Open until Filled, but looking to fill quickly
