

***Community Service Update:***

AGA has ended this year with our Annual Toys for Tots Fundraiser. We have had a great year working together to assist those in need in our community. Between our Professional Lecture Series Events in November and December, and, our Holiday Social, we were able to raise \$525 for this truly worthwhile program. As our community needs rise, we have been able to bring about many smiles for our local children.

Please remember to save your can tabs for the local Ronald McDonald House and, hotel samples for the Topeka Rescue Mission.

I would like to thank all our members and local businesses that helped this year.

Have a Happy Holiday!

Nickie Roberts  
AGA Community Service Director
